SUBJECT: TERRORIST LISTS

REF: STATE 193615

(SBU) The Guatemalan Foreign Ministry maintains an internal list of terrorist entities that it shares with the Immigration Service, Superintendency of Banks, and other GOG authorities. This list consists of persons and entities that have been the subject of UN counterterrorism resolutions, and basically coincides with the consolidated list maintained by the UN 1267 Committee. When the Foreign Ministry receives notification of new designations from the UN, the names are circulated among GOG entities. This is an internal GOG list and is not published nor circulated outside of GOG agencies.
